**ELA Info**

ELA – Arizona administers statewide achievement tests in the content area of English language arts (ELA) to measure student proficiency on the state academic standards. Students participate in AzMERIT ELA testing in grades 3-8 and when enrolled in high school level (grades 9 – 11) English language arts courses.

Academics highlight AzMERIT scores in ELA and MATH. The arrows indicate changes in scores from previous school year.

# Focus on the School:

Data: Academics ELA, MATH, Science

## ACADEMICS

ELA SCORE

**31%**  **0%**

This section displays school ELA test scores for all students taking the AzMERIT tests in the school. The pie chart shows the percentage of students reaching the proficient (Percent Passing) threshold. The bar chart shows the school's scores over time compared to the line showing the state student average score.

MATH SCORE

**31%**  **6%**

The Student Body information displays number of students by grade level and changes in enrollment per year.

# Focus on the School:

## Data: Enrollment over time and grade level

### STUDENT BODY

This section displays the total number of students enrolled at the selected school over time. These enrollment counts are from the school's October 1st census each school year.

This section displays the total number of students enrolled at the selected school by grade level. These enrollment counts are from the school's October 1st census each school year.

This information displays student diversity in school enrollment.

# Focus on the School:

## Data: Demographics, free and reduced lunch, ELA, etc.

This section displays the percentage distribution of students enrolled in the school for the selected year by race and ethnicity. These enrollment counts are from the school's October 1st census each school year.

This section displays the number of students enrolled at the school for the selected school year. School enrollment is further broken down for the following subgroups: ELL (English Language Learner), FRL (Free and Reduced Lunch), and SPED (students with disabilities). These enrollment counts are from the school's October 1st census each school year.
