

Inspire a Love  
of Reading

Families with young children in many Arizona communities can now register their child for **Dolly Parton's Imagination Library** and get a **FREE BOOK** every month until their fifth birthday!

Reading is vital to a child's ability to learn and be successful in school, and the skills needed to be a good reader start developing from birth. Having a selection of books at home is an important way to support language and early literacy.

Dolly Parton created the Imagination Library to inspire kids to love to read. Children registered for the Imagination Library receive a free, age-appropriate, high-quality children's book by mail every month until age 5.

"YOU CAN NEVER GET ENOUGH  
**BOOKS**  
INTO THE HANDS  
OF ENOUGH  
**CHILDREN**"  
*Dolly*
