Purpose

As we begin the new school year virtually, it is more important than ever that educators and families are partners and keep in close touch. Our visit today will help me (us) get to know your child/student and your family.

- How many students and family members are currently working from home?
Do you have Internet and devices for everyone?
- How is your family adjusting to life during COVID-19?
- Do you have concerns about housing, food, or other basic needs?

• Child/Student
